

INVITATION

**Architect@Work  
London  
13-14 April 2022**

The Truman Brewery  
Levels G1 & T1  
Booth 66

Cerdisa  
presents

## **METAL DESIGN**

**METAL LOOK PORCELAIN.  
FROM A DIFFERENT  
PERSPECTIVE.**

### **A NEW CREATIVE VISION OF CERAMIC METAL.**

THE HAND CRAFTSMANSHIP OF DELABRÉ METAL REPRODUCED IN NEW GENERATION PORCELAIN STONEWARE, THE FRUIT OF INNOVATIVE TECHNOLOGIES REPRESENTING A LEAP FORWARD IN DIGITAL DECORATION.

AGAINST THE LIGHT, CONTINUOUS EFFECTS OF MATT AND SHINY SURFACES ARE REVEALED, UNDERLINING REFINED THREE-DIMENSIONAL PATTERN DESIGNED TO ADD A PRECIOUS NOTE TO THE BACKGROUND MATERIAL. BECAUSE WE BELIEVE REALISM HAS THREE DIMENSIONS: COLOR, RELIEF, AND REFLECTION.
